Subject: SEAD 25 (Fire Training and Demo Pad) draft 2018 LTM Report

Randy,

EPA has reviewed the SEAD 25 (Fire Training and Demo Pad) draft 2018 LTM Report.

We agree with the Report's ultimate recommendation to continue sampling groundwater at the site. We also agree with the Army recommendation to prepare a modification to the ROD to address the ROD requirement for groundwater monitoring until NYSDEC Class GA standards are achieved.

Please let me know if you have any questions. Thank you.

Bob
